### PROFILE

I am an undergraduate student at Ocean University of Sri Lanka, passionate about continuous learning and personal growth. My interests in Food Quality Management and Human Resource Management drive me to explore how high product standards and effective people management work together.

### WORK EXPERIENCE

- Alex Seafood (Pvt) Ltd** 2025 - PRESENT  
Quality Controller
  - Ensure all seafood products meet strict quality, safety, and hygiene standards in compliance with industry regulations and export requirements.
  - Collaborate with production and marketing teams to maintain brand reputation through consistent product quality and customer satisfaction..
  - Implement quality improvement initiatives and conduct regular inspections to identify issues and enhance process efficiency.
